KIT RICAMBI FRIZIONE
SNAP RING & SHAFT KEY ASSORTIMENT

Kit Universale Master Tech per Raccordi Spring Lock (SLC)
Master Tech Spring Lock Coupling (SLC) Update Kit
REF 1213259

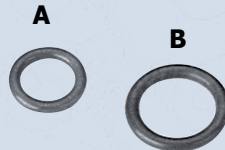

In presenza di raccordi spring lock, questo kit permette di avere tutto il necessario. Sono compresi gli attrezzi per smontare e pulire i raccordi, i collari riparazione per fissarli, gli o-ring e le molle di ritagno.

When servicing SLCs, this kit has it all. Included are tools to disengage the fittings, brushes to clean the fitting and the "Original One-piece" clamp to stabilize the fitting. The latest version of the Ford "thick" o-rings are included, as well as, the required garter springs.
